

VAULT CONNECT SYSTEM CASE

FOR iPad (7TH, 8TH, 9TH GEN) & INGENICO MOBY 5500

The Connect System, VAULT Connect Case, empowers mobile workflows with its lightweight design, allowing users to accept payments on the go. Combined with our comprehensive range of peripherals including, multi-bay charging solutions, stands, and hand grips, the Connect Case transforms into an all-in-one, versatile tool for multiple applications.

KEY FEATURES

Extended Battery

The built-in battery extends the life of the iPad by 30%, eliminating downtime and excess charging cables from your workflow.

Accept Payment

Integrate 3rd party payment devices to accept payment on the go.

Drop Protection

Drops happen. VAULT Connect Cases are TechShell Rugged certified, and drop tested up to 6 foot.
