

# VAULT CONNECT SYSTEM CASE

## FOR LENOVO TAB K10 & INGENICO LINK 2500

The Connect System, VAULT Connect Case, empowers mobile workflows with its lightweight design, allowing users to accept payments on the go. Combined with our comprehensive range of peripherals including, multi-bay charging solutions, stands, and hand grips, the Connect Case transforms into an all-in-one, versatile tool for multiple applications.

### KEY FEATURES

#### Extended Battery

The built-in battery extends the life of the tablet by 30%, eliminating downtime and excess charging cables from your workflow.

#### Accept Payment

Integrate 3rd party payment devices to accept payment on the go.

#### Drop Protection

Drops happen. VAULT Connect Cases are TechShell Rugged certified, and drop tested up to 6 foot.
