

# VAULT CONNECT SYSTEM

## CONNECT WITH CUSTOMERS ANYWHERE

Introducing a built-to-last case solution that gives your company versatility where it's needed most with the ability to transform consumer grade tablets and phones into enterprise business tools. Integrate third party payment devices to offer your customers a seamless checkout experience. Using this comprehensive mobility platform, through the VAULT Connect System you can manage tasks smoothly and improve the overall work flow.

### KEY FEATURES

#### Lightweight Design

VAULT cases are designed for maximizing mobile workflow with lightweight construction.

#### Accept Payment

Integrate 3rd party payment devices to offer your customers a seamless checkout experience.

#### Power To-Go

Eliminate downtime with a built-in battery pack capable of powering your device for hours on end.

#### Unified Charging

A single power source charges all devices onboard the case minimizing the need for excess cabling and power bricks.

### RECOMMENDED ACCESSORIES

**CONNECT STAND**

**MULTI -TABLET CHARGING STATON**

**VAULT HAND GRIP**
